

Aaron M. Schecter

630 S. Lumpkin St.
C419 Benson Hall
Athens, GA 30602-1575

(215) 896-1578
aschecter@uga.edu
ORCID: 0000-0002-3186-7788

ACADEMIC POSITIONS

University of Georgia, Athens, GA

- 2024 – Present Associate Professor of Management Information Systems, Terry College of Business
- 2025 – Present Director, AI for Business Certificate Program
- 2024 – Present Faculty Fellow, Institute for Artificial Intelligence
- 2017 – 2024 Assistant Professor of Management Information Systems, Terry College of Business

EDUCATION

Northwestern University, Evanston, IL

- 2017 PhD Industrial Engineering & Management Science
- 2013 MSE Industrial Engineering & Management Science

Johns Hopkins University, Baltimore, MD

- 2012 MSE Applied Mathematics & Statistics
- 2012 BS Applied Mathematics & Statistics

JOURNAL PUBLICATIONS

Schecter, A., Bogert, E., & Lauharatanahirun, N. (accepted, forthcoming). Embracing the Unknown: How Comfort with Uncertainty Drives Acceptance of Algorithmic Advice. *AIS Transactions on Human-Computer Interaction*.

GRANT FUNDING

External

Co-Investigator. Giving AI Team Cognition to Adapt How Teams Collaborate. *US Army Research Lab (ARL)*. Budget: \$100,000 (2024-2025).

Co-Investigator. Assessing Trust between Human and Machine Decision-Making Agents. *US Army Data and Analysis Center (DAC)*. Budget: \$4,427,000 (2022-2025).

Principal Investigator. An Investigation of Human-Machine Team Dynamics. *US Army Research Office (ARO)*. Budget: \$303,131 (2019 – 2023).

Co-Investigator. The Signatures of Success in Human-Agent Teams. *US Army Research Lab (ARL)*. Budget: \$1,500,000 (2019-2023).

Co-Investigator. Project FUSION: Facilitating Unified Systems of Interdependent Organizational Networks. *The National Aeronautics and Space Administration (NASA)*. Budget: \$991,979 (2018-2021).

Internal

Principle Investigator. Business, Systems, and Technology Innovation Seed Grant, *Terry College of Business, University of Georgia*. Budget: \$12,340 (2026-2028).

Co-Investigator. Presidential Interdisciplinary Seed Grant, *University of Georgia*. Budget: \$149,975 (2024-2025).

Principal Investigator. Business, Systems, and Technology Innovation Seed Grant, *Terry College of Business, University of Georgia*. Budget: \$18,829 (2023-2024).

HONORS & AWARDS

2026	Dennis Gouran Research Award, National Communication Association
2025	Reviewer of the Year, MIS Quarterly
2025	Outstanding Teaching Award, University of Georgia
2024	Best Paper, IEEE CogMI Conference
2024	Outstanding Teaching Award, University of Georgia
2023	Outstanding Associate Editor – CTO Division, AOM Annual Conference
2023 – 2026	Terry Sanford Award, University of Georgia

2022	Best Track Associate Editor, ICIS
2022	Terry Innovation Seed Fund Award
2019	Young Investigator Award, Army Research Lab
2019 – 2021	Lilly Teaching Fellow, University of Georgia
2019	Best Paper, Digital and Social Media Track, HICSS
2018	Fellow, Research Center for Open Digital Innovation, Purdue University
2018	Hackman Dissertation Award, INGRoup
2017 – 2018	Teaching Academy Fellows Program, University of Georgia
2016	Terminal Year Graduate Fellowship, Northwestern University
2016	Outstanding Reviewer – OB Division, Academy of Management Conference
2012	Harold Richards Fellow, Northwestern University
2012	Phi Beta Kappa, Johns Hopkins University
2012	Applied Mathematics Achievement Award, Johns Hopkins University
2012	Joel Dean Excellence in Teaching Award, Johns Hopkins University
2011	Naddor Prize for Excellence in Mathematics, Johns Hopkins University

INVITED TALKS & WORKSHOPS

2026	Florida State University
	Stanford University
	University of Bern
2024	University of Notre Dame
	University of Cologne
2023	University of Groningen
2022	Case Western Reserve University
2021	Virginia Tech (virtual)
2018	Northwestern University
	University of Nebraska, Omaha
2017	Michigan State University
2016	University of Georgia
	University of North Texas

TEACHING

University of Georgia

Doctoral

- MIST 9770 Research Methods

MBA/Masters

- INTB 7100 Special Topics in International Business
- MIST 7635 Machine Learning and Business Analytics*
- MIST 7690 Business Process Management
- MIST 7770 Business Intelligence & Analytics
- MIST 7990 MSBA Capstone

Undergraduate

- MIST 5460 Agentic AI for Business Applications*
- MIST 5620 Business Intelligence
- MIST 5635 Machine Learning and Business Analytics*
- MIST 5750 Business Process Management
- MIST 5990 Research in MIS

** Indicates courses developed while at UGA*

ADVISING & MENTORSHIP

Current Doctoral Supervision: UGA MIS

- Benjamin Richardson. *Anticipated Graduation: 2027*

Current Doctoral Supervision: External Committee Member

- Brandon Kang (Psychology, University of Georgia)
- J.B. Frericks (College of Engineering, University of Georgia)

Prior Doctoral Supervision: UGA MIS

- Eric Bogert (Co-Chair)
- Yuan Yuan (April) Song
- Tanner Skousen
- Panda Kumar Sachin
- Jacob Steffen

Prior Doctoral Supervision: External Committee Member

- Kaige Gao (Information Systems, Case Western Reserve University)
